We have had a good start to the new year. Everyone is settling into their new positions nicely. We are doing degree work and have plenty in the works to keep us busy. It's wonderful to see the Lodge grow. We have been receiving petitions, a transfer and a reinstatement. During Past Masters we will be raising four men in the morning and honoring our past masters at the Blackforest that evening. We will be honoring our Mason of the Year in April. Who will it be? I promise it is someone reading this. We have degree work to do during March and April. Some exciting news; Washington Lodge has entered the statewide Entered Apprentice competition to be held May 8th in Wausau. So be ready for mandatory practices officers. We are still looking for responses from the other Lodges concerning the proposed summer picnic. As always feel free to contact me about any concerns or ideas. For those that haven't come to Lodge in a long time, we miss you and would love to see you on the sidelines.

We will be updating and voting on our bylaws in the near future. If you have a copy you would be willing to let us use to work with contact Mike Scalf or Charles Clarage at the numbers listed above.

Brethren, we have many busy months ahead of us. With two EA degrees down and two more to go (and that's not including the other 5 potential candidates), we should be primed for our degree competition. I would like to that all the brothers who in their new roles have preformed wonderfully. I know our new brothers are impressed.

Our school of instruction is March 13 at the lodge. Brother Moses Adams has changed the program from MM to EA, to help with the degree competition. I strongly urge all of the line officers to attend.

My calendar for the year is in its fourth revision. At the next meeting, I will have a new calendar for everyone. I do know that we are having two brat fries this year. July 3rd at Festival Foods on West Mason and July 31st at Festival Foods in De Pere. Please mark these dates on your calendars.

Library Notes

Alice Byrnes, DLS
920-662-9191

During the cold, stormy days of winter great progress has been made on the inventory and recording of books in the library in a computer program called Alpha Five. Artifacts are being entered into a museum cataloging program called Past Perfect.

We are constantly amazed at the treasured memorabilia that have been lovingly donated to the museum. These items make it easy to change displays, so whenever you visit the museum you will probably see a few new things.

For those of you outside of the Green Bay area, we can arrange to bring a traveling selection of museum artifacts to your meeting – Lodge, Star Chapter, Royal Arch Chapter, Council, Commandry or Shrine Club. Our "Have Artifacts, Will Travel" program has been well received. People enjoy being able to actually handle some of the very old artifacts. If you would like to have the traveling program at one of your meetings, please give us a call. (Alice or Jim 920.662.9191)

John Calder, Sec.-Treas.
(920) 468-4820

Worshipful Master Malmberg has asked me (Senior Warden Gerry Brebner) to prepare the Trestleboard for this issue. Several of our brothers are in need of your prayers (including WM Malmberg), Jack Calder, Dale Vollrath and Bud Fogel. Cards have been sent to all and if you are aware of any others in need of prayer or "get well" wishes, please let me know (ph. 920-606-9153).

At our last meeting (February 11th), we read 2 petitions. It is expected that the interviews will be completed and we will be balloting on the petitions (pending the committee's recommendations at the March Stated Meeting). We will then be scheduling their Entered Apprentice degrees. If you are able to help us by doing any of the degree sections, EA Lectures or charge, let us know.

At our February meeting Brother Jack Gragg asked if a printout or a roster of Daylite Lodge members could be acquired and distributed. I am happy to report that these will be handed out at the March Stated Meeting. As the Assistant Secretary, I am doing the data entry for Jack Calder in MORI (the Grand Lodge database) and rosters can be quickly and easily generated.
