Brethren,

As we start the last portion of the year I am amazed at how quickly time passes. You start out the year with a plan to accomplish certain things and then additional items are added to the list. In the case of my plan, it has been a good thing for the most part as the item that has occupied a big majority of our time is degree work. We have been blessed with a substantial influx of petitions this year, and to this point we have initiated ten new members and have passed six of them. We welcome each of them into our wonderful fraternity of men and Brothers. It has been my pleasure to welcome Brothers Brad and Jeremy into the membership of Washington Lodge as well, via transfers.

Speaking of degree work, I have seen Brothers make great strides in their ritual work which is always a pleasure to witness. Washington Lodge is very blessed to have several very strong Ritualist and Proficiency men in our folds and I would like to take this opportunity to thank them all for their fantastic work in conferring the many degrees we have done to date. As a lodge we can take distinct pleasure in saying that we were the only lodge in the state to field a complete team for this year's annual ritual competition. This speaks volumes of the dedication that my Brothers of Washington Lodge have consistently demonstrated, and I always find it a pleasure to work with each and every one of them.

Each year one of the duties of the Master of our lodge is to select a member that best demonstrates Masonry at its finest. This year it is my pleasure to name Past Master Mark Ellis who stepped up to the plate over a year ago to advance to the East prior to what would have been his normal course of progression and has showed no signs of letting up. His exemplary ritual work together with his love of the Craft and dedication to assisting a Brother has earned him the respect of all of those who have had the pleasure to work with him. As such, he will be honored on Sept. 6th as Washington Lodge's Mason of the Year.

On that note, no lodge can operate with one person, and each Brother that has accepted the call to serve our lodge has done a great job, and we ain't done yet. Thank you officers of Washington Lodge. You have made my job as Master quite simple and I look forward to wrapping up the year in stellar fashion as we raise those we have passed, pass those we have initiated, and I am sure initiate even more before the year is over.

We have had the pleasure of recognizing a Fifty and a Sixty-year member, and that is true dedication to the craft.

We also have a couple more special events slated to wind up the year: Recognition of 50 and 60-year members as well as our annual Table Lodge. This year it will be shared with Shawano Lodge who will be joining us in Green Bay. Look forward to announcements on these events.

Remember, we have fellowship over delicious meals prepared by our stewards this year at 6:00 p.m. on the 1st and 3rd Thursday of each month, followed by lodge opening at 7:00 p.m. We hope to see you there as we head toward the end of another great year at Washington Lodge.

May the Grand Architect of the Universe bless and keep each of you reading this message safe and sound,

Fraternally,  
Bro. Joseph Chilcote Master  
Washington Lodge #21 F&AM

Hello Brethren,

I hope this Trestleboard is finding you all well and in the best of spirits! We have several degrees underway in the Lodge, with more petitions coming in. It's an awesome time to be at the Lodge and to have such excellent candidates coming through! With the degree schedule being full, we have been planning several special communications in which to complete degree work. Thank you brethren for coming out during our "dark period" to help the lodge with these degrees! It's been very appreciated. A very big thank you goes out to all of our brethren at Washington #21 for performing a courtesy FC degree upon Brother Brian on behalf of Roosevelt Lodge. Thanks Brothers!

Brethren, I am planning to have our meeting on October 2, held at Heritage Hill State Park. I am still in the planning stage as of this writing, as our contact over at Heritage Hill is currently on vacation. Please watch your e-mails, and the Lodge website for details.

The Past Master's dinner will also have to be relocated/rescheduled, as River's Bend has closed! Again, please watch the website, and your e-mails for further details. I am actively searching right now for a new location.

I would also like to thank all of the brethren that came out to Festival Foods for our last brat fry of the season, and to all of the brethren that have helped our fundraising efforts in lodge this year. Remember that it takes all of us doing what we can, when we can, to make this the best lodge in Wisconsin!

In conversation with our Lodge Stewards and PM Belongia, we have some great dinners planned, and I encourage each of you to come to the Lodge to enjoy the fellowship around the dinner table, the fantastic degree work, and that outstanding fraternal bond that unites us all. Special thanks also goes out to Chef Jeff Nelson for providing us with excellent meals! Thanks, Jeff!!

Brethren, if you ever need a ride to the Lodge, please just let myself, or one of the brethren know, and together we'll make sure that happens. We want to see you!

The board members of the NorthEast Wisconsin Library/Museum would like to thank many individuals for their generous donations to the Library/ Museum. Your support has been gratifying. While it is fun opening the various packages dropped in front of the library or museum door, we do not always know who you are. Please leave a note, as we would like to send a thank you to include in your income tax documents, as we are a tax deductible entity.

The museum is becoming a gathering place before Masonic meetings. Museum hours now include being open for one meeting a month per organization meeting in the Masonic Center. The Library and Museum are also open on request simply by calling Alice or Jim Byrnes - 920-662-9191.

Have you noticed the new landscaping on the Taylor Street side of the building? This rejuvenation of plantings is a gift from the White Shrine to the building in appreciation of the support of members of the various organizations meeting in the building for over 90 years. Please take time and look at the plantings and the plaque, provided by the building board, the next time you travel down Taylor Street.

July 10, 2012 members of Nazarene Shrine # 8 voted to approach Valley Shrine in Neenah relative to the possibility of a group transfer of members from Nazarene Shrine to their Shrine. If accepted, by a favorable vote by each of the Shrines, this would close Nazarene Shrine. Valley Shrine members are voting in August to accept or reject this request. If the vote is in the affirmative, Nazarene members will be notified about their personal options and a final vote of both Shrines would then be held on their respective meeting nights in September. This has not been an easy decision and, if the vote is in the affirmative, we would like to thank each of you for the memories.

**NEXT MEETING - VERY IMPORTANT - September 11 - 7:00 PM - Vote on Merger with Valley Shrine**

**Building Board**

I hope you all have had a great and productive summer. The building board has been meeting over the summer and is beginning to put together a plan for the long-term updating of the lodge building. This means taking a planned approach to updating parts of the building in need - like carpet, paint, etc.

One of the challenges faced is balancing the need for updates with a budget. We are doing projects as money allows without resorting to raiding investments or raising rents. One project that is pressing is the sign in front of the building. The wood is rotting where it meets the ground. We would like to replace the sign with a brick pillared lighted sign that will represent us well and outlast us all.

This is where you come in. We are looking for donors to fund the construction of the sign. There will be a plaque in the entryway recognizing donors. We'd be overjoyed if there was a donor who would fund the whole project, but would be just as happy to receive many smaller donations. The cost of the sign is \$6200. Please contact a member of the building board if you are interested in leaving a lasting mark on the building.

Nick Brosig, Building Board President
