Greetings Brothers!

I hope everyone had a great summer! Theodore Roosevelt has been very busy while we've been "dark". Two frat fries for our scholarships have been very successful, even with the rain. A huge thanks to all the brothers who took time out of the summer schedules to help out. Our lodge picnic at Bay Beach was well attended and I know personally that the kids had a great time. I also found out that I still can get down the Super Slide, but my tailbone can't quite handle the bumps like it used to.

The second half of the year will still be busy. We will have at least 2 more candidates to get through by the end of the year, and our Christmas party will be here before we know it. Also, another fund raising opportunity for our lodge is parking cars for the haunted house over at the Shrine. This is a great way to hang out with your brothers, and help make sure that all our newly made brothers will receive Bibles when they are raised.

More dates to follow, so be sure to come to lodge!

Barry V. Siewert, Worshipful Master

As meetings start up for the fall season, we invite you to look at the display cabinet in the lobby of the "flag pole" entrance. Many of you frequently visit the Museum, but how many of you realize we are also a lending library as well as a research library? Our topics are as varied as your interest – and there is more to Masonic reading than proceedings. Let the display convey the message. We will be happy to issue a library card to you. Happy reading!

You can still visit the museum!

Well summer is almost over and it's time to crack the books and get refreshed. We have a busy fall ahead of us. I hope everybody got out and enjoyed this heat, I enjoyed my A/C. Special thanks to Bonnie & Bob VanderLeest for hosting the picnic. It was a good day. We have all three degrees to do with MM being the heaviest on our shoulders, so we need to be studying our 2nd part assignments. We are a team, we will do it. Table Lodge is coming up, if you have any ideas for dinner contact Mark Ellis. Cost will be ten dollars reservations to myself or Charles Clarage. Lastly, in between degrees we will be updating our bylaws, so you want to be there to have a say.

At our first meeting in the fall (September 9th) brother Moses Adams will be holding a School of Instruction. This is a change from in the past (we usually hold them on Saturdays). Mason Woods Lodge will also be joining us for the school and for lunch. I will keep the Stewards advised on how many will be coming from Mason Woods Lodge.

We are working on coming up with a date to raise Brothers Jacob Kasten and Randy Koester. They still have to post for Fellowcraft, and once this is done, they will be ready to advance. We will need help with the second section and may have to do the work on a Saturday rather than a regular meeting (to accommodate brothers who may be able to help, but are not available during the weekdays). Please if you can help, let WM Malmberg or myself know.

See you soon in Lodge!
