One lady approached the director and wondered about the white Fez displayed on a woman's head. It has the word "Ladies" and a Shrine emblem. Actually, members of the "Ladies Oriental Shrine of North America" wear a white Fez during their meetings and are referred to as Lady Shriners. There is no Court in the state of Wisconsin. They support various projects that will benefit children in the Shrine Hospitals. The main charity project changes annually and this year the emphasis is on scoliosis. Other female relatives of Shrine Nobles over the age of 18 are asked why they are there? They designate a charity project of yet another organization in the Masonic family.

Have you noticed the various hats on display in the lobby of the North Masonic Building Board? It is a wonderful transformation. A sample has been tentatively placed over one cabinet and we welcome your comments or donations to the "First Book" foundation to provide books for children of low income families. This program has put books in the hands of hundreds of children, for many the first book they have ever owned.

I would like to congratulate the brethren who took the time to make our "Friends and Family Night" a huge success. We had several petitions that were filled out and are in the process of being brought back to the lodge. Looks like our interview team will have a busy few weeks ahead.

If you have any ideas or suggestions about building projects are always welcomed, as well. We need your help. While serving as Worshipful Master it has been challenging and rewarding. It is my feeling that we have let our newly made Masons down a little, not having the time I would like to devote to their Masonic education. This is why I ask the help of Past Masters and other Master Masons of Roosevelt Lodge.

To all the Master Masons who have not been able to attend lodge meetings lately. I need your help. While serving as Worshipful Master it has been rewarding and challenging. It is my feeling that we have let our newly made Masons down a little, not having the time I would like to devote to their Masonic education. This is why I ask the help of Past Masters and other Master Masons of Roosevelt Lodge.
